

# We need YOU and your TOOLS!

## Tools are guaranteed to be returned in as good or better condition!

As well as volunteers, we also need to borrow tools for the Playground build week. We guarantee that your tools will be returned in as good or better condition as we received them, or we will replace them. That's a promise! We have funds set aside for tool replacement and repair and we will be using our own drill/router bits and saw blades. In addition, we have arranged for 24-hour security on our tool trailer.

Tool check-in is Saturday, October 6th. and Sunday, October 7th. at Tillery Park.

All tools will be identified as to ownership.

Tools will be locked up when not in use.

All tools are required on site through Sunday, October 14<sup>th</sup>.

*Tools may be picked up after 6:00 p.m. on Monday, October 15th or Tuesday, October 16th*

If you can lend us tools, print this sheet and circle the items you can provide. The numbers immediately to the left of the tool are the number of each item needed. (We will assume you can donate one of each item circled unless you note otherwise.) Then enter your name, phone #, and e-mail address and fax to Wayne Olson (817) 332-4740, mail to Wayne Olson, 6000 Western Place, Suite 200, Fort Worth, Texas 76107, or e-mail to tools@tillerypark.org. If you know a person or business who might be able to donate any items, please help us contact them. Any questions, call Edward Green at 817-296-4968, or Wayne Olson at 817-966-7038.

Thanks for Your SUPPORT!!!!
